

## PRODUCT INFORMATION

August 2016 Update

# 600A Lever Action Grease Gun

The 600A lever action grease gun provides superior performance and delivers more grease on demand where you need it. Capable of generating grease pressures of up to 12,000psi (828bar) and delivering up to 1.6cc of grease per stroke, Alemlube's 600A lever action grease gun offers the Twin Lock System that seals the piston and eliminates the possibility of dummy lubrication.

The patented Everflow System enables the gun to be used with thick tacky greases even in the coldest conditions. Reliable, dependable and genuinely heavy duty, the 600A is manufactured with a light weight and compact aluminium die cast head assembly, a four jaw coupler and a rigid extension.

Always a grease gun of choice, the 450g 600A with 4-year warranty is guaranteed to perform and exceed your expectations.
